

McGINLEY'S PUB

ANCHORAGE, ALASKA ESTABLISHED 2006

A touch of old Ireland in the heart of Downtown Anchorage

Long before the pyramids were constructed or the blokes to the east were erecting Stonehenge, the Irish were already perfecting the art of merrymaking.

Whether it's a wedding, a wake or just a few friends gathering to share a drink and a story, the Irish welcome the opportunity to celebrate.

McGinley's welcomes you to our ongoing celebration!
